

Insolvency

Our firm advises and assists corporate entities and individuals facing financial difficulties in their business activities, helping them reorganize their structure and activities and, in case of insolvency, representing their interests vis-à-vis their creditors and providing legal representation before administrative and judicial authorities.

Team

Damien Cand

Sabine Elkaïm

We take both preventive and corrective action, notably in the following areas:

- Equity and debt restructuring
- Liability of corporate bodies
- Negotiation and conclusion of agreements with creditors
- Insolvency proceedings
- Composition with creditors
